

SECTION 2: SCHEDULE OF CHANGES

The paragraphs below provide a schedule of the principal changes to this section of the Environmental Statement since the application to Cheshire County Council/amended application to the Department of Trade & Industry, of 26 July 2007.

All Sections

- Minor textual changes to provide clarity and explanation.
- Further explanation provided of the nature of the two applications to CCC and DBERR to ensure clarity.
- Minor alterations to clarify the waste type used for the RDF Plant.

Section 2.1

- Further explanation provided of the nature of the two applications to CCC and DBERR to ensure clarity.
- Table 2.1 and 2.2 amended to show additional detail.

Section 2.3.1

- Location Plan altered to show the boundaries of the Entire Site, CCC and DBERR Applications.

Section 2.4/Appendix 2.1

- References to table of residues and solid emissions added.

Section 2.7.3

- Clarification of existing highway/byway and diversion requirements provided.

Section 2.7.5

- Clarification of means of access provided for both applications to provide clarity.

Section 2.8.1/Figure 2.5

- References to an indicative phasing plan added.
- New Figure 2.5 (Phasing Plans) added.

Section 2.8.2

- Amendment to proposed construction hours.

Section 2.8.9

- Clarification on construction methods for the canal berth.

Section 2.9.2

- Additional information provided on lighting, following lighting study.

Section 2.10.2

- Clarification provided on location of proposed bird hide.

Appendix 2.2

- Plans for each application (and the Entire Site) showing lighting proposals.
